

Welcome to Chelsea Theatre

After a major renovation, Chelsea Theatre is back and reborn as a state-of-the-art creative and community hub, serving the World's End and beyond. Our mission is to act as an incubator of creativity and culture for, and from, all parts of the community.

We pride ourselves on being a flexible space where community, artists and audiences can connect and explore their creativity. We offer a range of spaces: learning and rehearsal studios, meeting rooms, indoor and outdoor exhibition and performance venues, a community café and terrace bar, as well as a 120-seat theatre and cinema. Our building is fully accessible, and inclusivity is at the heart of everything we do.

Explore our website for the full range of what we have on offer. For our cultural and creative programming visit [What's On](#), for classes and community focussed events visit our [Activities](#) page. All our spaces are available to rent, see our [Venue Hire](#) page for more info. To learn more about how you can support our work, visit our [Support Us](#) page.

We look forward to welcoming you to Chelsea Theatre!
